Autres informations

Autres informations utiles :

Nele Wynants is a postdoctoral researcher in the fields of art and theatre at the Free University of Brussels. Her works on the interplay of performance, media history and science have appeared in many journals and books. She is a member of the Young Academy Belgium (Flanders) and the Project Management Board of B-magic, a large-scale research project on the magic lantern in Belgium (www.B-magic.eu). She is editor-in-chief of FORUM+ for Research and Arts (www.forum-online.be).
